

IGAMING ANNOUNCES NEW WEB SITE FOR ROTOPLAY FANTASY SPORTS

VANCOUVER, BRITISH COLUMBIA, March 6, 2007 – (TSX Venture Exchange; IGA)

iGaming Corporation (“iGaming” or the “Corporation”) is pleased to announce today that its wholly-owned subsidiary, IGC Entertainment Corporation (“IGCEC”), has completed its overhaul and updating of its recently acquired fantasy sports website, www.RotoPlay.com.

The improved site will better position iGaming to take advantage of the rapidly growing fantasy sports industry which has been reported as growing at a rate of 7-10% annually and has approximately 15 to 18 million participants generating more than \$1.5 billion per year in North America (as reported by the Fantasy Sports Industry Association in March, 2006).

“In addition to maintaining RotoPlay’s existing client base, the new site provides us with a more effective means of marketing RotoPlay’s unique products and competing more effectively in the fantasy sports space. Furthermore, our new backend controls allow us to more effectively add and adapt featured games based on consumer demand”, stated Christopher Kape, iGaming’s CEO.
