

IGAMING'S NEW AFFILIATE SITE 'BIG WIN PARTNERS' GOES LIVE

VANCOUVER, BRITISH COLUMBIA, May 2, 2007 – (TSX Venture Exchange; IGA)

iGaming Corporation ("iGaming" or the "Corporation") is pleased to announce that its wholly-owned subsidiary, IGC Entertainment Corporation ("IGC"), has launched an affiliate marketing website, www.bigwinpartners.com.

Big Win Partners offers a diverse affiliate program, with site content ranging from fantasy sports to sports lines and sports information. Big Win Partners promotes numerous iGaming websites including www.rotoplay.com and www.picksonline.com. In the future, other properties such as www.veagsonlinesports.com and www.linetracker.com will be featured as well.

The purpose of an affiliate program is to outsource the advertising content, thereby allowing independent webmasters to advertise on IGC's behalf. The affiliate marketing industry is extremely lucrative and this unique affiliate program is aimed at our target market, providing IGC with an advantage in this vast, multi-million dollar per year industry.

"This is but another step in management's overall endeavour to extract the greatest return out of our existing web properties while maintaining a healthy marketing spend level", stated Christopher Kape, President and CEO of iGaming. "There is so much potential within this industry and we are promoting excellent products that are relatively untapped within the affiliate industry. www.BigWinPartners.com will provide some much needed diversity within the affiliate marketing industry. I am extremely excited to see the results that will be generated by this new initiative."
